

Autonomous Logistic Solutions Sdn Bhd

DRIVING THE FUTURE OF AUTONOMOUS LOGISTICS

THE FUTURE OF DELIVERY IS HERE

Malaysia's FIRST Enterprise-Grade L4 Autonomous Logistics Vehicle

Redefining Mobility With Level 4 Autonomy

Powered by AI, Level 4 autonomous vehicles operate safely in geofenced areas with fully driverless operation, managing all tasks and unexpected situations. Zelos builds on global standards with intelligent AI-driven systems, delivering autonomy across industries – for every payload and every vehicle.
